

Who are we?

As a nonprofit volunteer organization, we strive to make a difference in our community. Our club meetings and our programs help us grow as we work together toward common goals on important community issues. Our members learn leadership skills and techniques that help them in all aspects of their lives.

We are women just like you – generous, caring and talented – who share skills through various committees within our club. Members choose which projects they work on and how much time they wish to spend on club activities.

Wherever your talents lie – Arts, Social Issues, Education or Conservation, there is a place for you in Juniors!

Join us.

TJW meetings are held the third Tuesday of the month. Please check our website for time and location of meetings. Visitors are always welcome!
